DRUNKENNESS

Or the Liquor Habit Positively Cured by Administration of Dr. Haines' Golden Specific.

It can be given in a cup of coffee or tea, without the knowledge of the person taking it. It is absolutely harmless and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an absolute wreck. Thousands of drunkards have been made temperate men who have taken Golden Specific in their coffee without their knowledge, and in fact believe they quit drinking of their own free will. IT NEVER FAILS. The system once impregnated with the Specific, it becomes a matter of impossibility for the liquor appetite to return. For sale by ALEX. HUNTER, Herald Building, 100 NASSAU ST. N. Y.
